Standard packaging method is via blanket wrapped household carrier.  
If cartoning is requested, cartoning charges will apply.

All packages shall be packed to ensure carrier acceptance and safe delivery to the destination, complying with the rules and regulations applicable to the mode of transportation.

Handling during transportation is always at the purchaser's risk and any claims must be filed with the carrier by the customer. We reserve the option to ship by what we think is the best way, unless we have been provided with specific instructions as to carrier and routing.
